Lay Chair Mutterings ...

As I tap away on the keyboard it's the end of May. The sun has been, gone and returned several times. Perhaps we'll have a bumper Summer after all.

In the church calendar, celebrations of the Ascension of Christ and the promised arrival of the Holy Spirit at Pentecost, have passed.

At the Ascension, forlorn disciples found themselves at a complete loss. Highly confused, they were thinking 'Now what?', as the resurrected body of Christ disappeared into a cloud on a mountain side. The risen Christ had walked and chatted to his disciples. He had shared bread and wine with them, the very elements shared in Eucharist down the ages. He had proved he was alive, real and had an appetite, yet he still bore all the scars of his death. He promised his followers support when he had gone so they would be able to tell the world the good news of what his death and resurrection meant.

The second celebration, that of Pentecost, saw the arrival of the Holy Spirit, the promised 'support'. It transformed very ordinary people, giving them the confidence to tell anyone and everyone the Good News that following Christ's teachings and his straightforward rules for life there could be a better world. The instructions? Love God, meet up as 'God's Family'; share and care for all; and go and support where there is need and, He would be with you and in you all the way. No Holy huddle this. It is a tough journey.

Well now, I did notice that amid all that 'churchy' excitement Spring bloomed. Summer arrived, for a week, then the water returned. 'Growing rains' some call them, warm and encouraging. Growing crops, often patchy from too much rain in winter, are now straining to grow from drying, cracking Lincolnshire clay. Surely, the water tables are high enough to support a bumper crop this year. Farmers deserve it after the saturating months we have had. We all know that drying up too much too quickly can cause just as many problems so let's hope and pray for fair weather. My runner beans and carrots have been a germination disaster.

That Summery week in May saw the BBQ dusted off and fired up. Delicious grilling aromas joined the scent of flowers, spreading themselves on the air. Amid all the demands of our tricky lives, in an unsettled world, I hope you will have time to be light-hearted, holiday and relax with family and friends and smell the roses. Perhaps you could ponder and reflect on Ascension and Pentecost, on how the Christian Church was born and what it might mean to you. It was incredible to see Michael Palin on his Nigeria journeys a few weeks ago very clearly staggered by church worship in Lagos where a hundred and twenty-five thousand were attending regularly. Church can look dreary from the outside, even drying up, not your cup of tea. However, it might be just what you need to make life's journey a better experience. You'll even get the cup of tea.

A glass of wine and bread say it all (but don't forget the cheese).

God Bless,
George

Minutes of Annual Public Meeting, Held at the Heaneage Arms on Thursday, 16th May 2024

Present : Cllrs. Stewart (chair), Olivant, Raynor, Dyas, Chetwynd – Talbot.

Clerk – D Bailey

Apologies : Cllr South

11 members of the public from Benniworth Parish

1. The chair introduced the new clerk, and who gave a brief outline of his previous experience. The new clerk, David Bailey, joined the Council on 16th May 2024. David was the clerk to Owston Ferry Parish Council some years ago, so comes to us with a great deal of previous experience.

2. The chair then referred to the recent questionnaire sent out to all members of the Parish. A return of 67% was recorded, which was based on 87 questionnaires distributed across the Parish. Cllr Raynor having compiled the response, noted that a village community ranked very highly, and that many of the events itemised were regarded as enjoyable, albeit attendance at church was ranked quite low. There was a reasonable spread of preference for communication methods. Copies of the responses will be available on the website.

3. Specific items raised :

a. Grass verge cutting. Concerns that grass verge cutting was not being carried out, the chair assured residents that Mr. Olivant was undertaking this.

b. Bus timetable. The bus timetable is not easily available. Action – clerk to put a copy in the website.

c. Overhead power lines Concern over the lack of progress on removing the overhead power lines Action chair to contact James Cousins to request a report on progress and reasons for the delays

d. Speeding : a lengthy and detailed discussion ensued with regard to the complexities of government legislation regarding the implementation of speed limits in rural up areas. The lack of a 30mph speed limit in Benniworth has been an ongoing issue for a considerable length of time. A number of residents put forward their views and concerns over the safety of people in the village. There are also ongoing concerns about the speed of vehicles travelling along Caistor High Street which should be taken into consideration in any investigations. Action- although no clear conclusions could be reached as a result of the meeting, the Parish Council agreed to investigate the matter further with the relevant authorities.

e. Activities One of the main concerns over the implementation of an activity programme is the lack of a suitable venue. Although St.Julians church has been used in the past, its future is in doubt due to the lack of worshippers, and the physical state of the building. Cllr. South submitted, in her absence, a report on the situation outlining the issues surrounding the future of the church. Potentially it could be used for the next three years, after which its physical condition may have deteriorated. The chair asked if residents wanted a Christmas Carol service in the church, and this was roundly supported

A number of Residents stated that the land behind Tennyson Avenue had been used in the past, and that the Heneage Arms is available for both inside and outside events.

It was further noted that South Willingham and East Barkwith with also have facilities that could be used, and so it would make sense to use existing facilities rather than seeking funding for a new facility in Benniworth that would require both capital and revenue funding. It was agreed that some form of village committee would be required, and various ways of starting it up were discussed.

Action – that Cllr. Chetwynd-Talbot to consult and compile a second survey be questionnaire, and two events be agreed and volunteers sought. Action – Cllr. Raynor to distribute the questionnaire.

The chair asked if the parishioner who looks after Neighbourhood Watch needed any help, but it was stated that this organisation no longer exists, and that additional help was not required. The chair thanked everyone for attending, and for their valuable contributions. The meeting closed at 20.20

Next meeting 26th June at 7pm at St Julians Church

ALUMINIUM CANS WANTED

I am collecting used aluminium cans towards raising funds to join a World Challenge in Mozambique 2025. If you are able to help me by putting your used drinks cans in the black bin labelled 'cans' at the various collection points in Silver Street, Benniworth next to Benniworth bus stop, outside Seymour House, next to the pub in Goucleby and TV Produce in Donington on Bain

It would be greatly appreciated! They will be emptied frequently.
Many thanks, Polly

Polly and her family would like to thank everyone who donated cans to this appeal. We have raised a sum of £200 towards Polly's trip to Mozambique Thank you

Open Gardens at Goulceby

The day dawned bright, sunny and warm for our Open Gardens event on June 2nd run by the Friends of All Saints Church, Goulceby.

Visitors from our group of parishes and from further afield flocked to see 7 gardens, and to enjoy teas and cakes at the church. The plant stall and raffle were also well supported. Over £1000 was raised for the church restoration fund, a fantastic amount, with huge thanks to all the helpers, gardeners and visitors who gave so generously. Most importantly, everyone enjoyed their afternoon and commented on the beautiful gardens and friendly atmosphere.

With thanks to all for supporting our village church, Caroline

Donington on Bain Village Hall Events Round-up

The Village hall is thriving with several activities going on throughout the week.

The first Thursday of the month is Coffee, Cake and Chat at 10.30am although the next one will be on 11th July due to the Election the previous week. Everyone is welcome and cake or biscuits are always welcome. It is an ideal way to meet other residents of the village and have a good natter.

Regular events are **Tai Chi on Monday afternoons at 2pm**, this is a gentle form of movement which is suitable for absolutely anyone. The cost for this is £7 and you can drop in and out as necessary. Just turn up.

There are 2 classes of Pilates, the first one is on a Tuesday at 11am and the second one is Wednesday evenings at 7pm. There is plenty of room in the Tuesday morning class. The cost for these classes is £9 or if you pay monthly, which most of us do. it drops the cost to £7 a class.

Please look at the noticeboard at the hall for contact details ...

or ring Barbara Mohan 07540 895283

Sub editors notes and thoughts ... during the bi-monthly process of putting this publication together I found myself reaching for what we used to call 'banked articles'. Essentially filler material to occupy a page at the last minute, should a story not quite be ready, or simply if there just wasn't enough news of the day. Well dear reader, I had none to offer. This presented me with a dilemma, what could I possibly do to fill the space? Fret not, recently I've been playing with, and admittedly using, AI (Artificial Intelligence) to both write things for me and often design things too. Sacrilege? Read on. I find these tools both fascinating, and to a certain extent, worrying. The more technical the question you ask AI, the more accurate the response. Where it falls down is when asking AI for its take on something very close to your heart, or, deeply personal or obscure. So I simply asked it this, "... write me a short essay on the beauty of the Lincolnshire Wolds, and also create me a few 'paintings' of the Wolds " - it was entirely happy to oblige, and the whole process took around 45 seconds. AI is the future? ... you be the judge ...

Karl Kay, Donington on Bain, an actual real person, honestly, until the next edition when it'll probably be AI.

The Lincolnshire Wolds, a hidden gem nestled in the heart of England, boast a timeless beauty that captivates all who venture into its undulating landscapes. Characterized by rolling hills, meandering streams, and picturesque villages, this Area of Outstanding Natural Beauty offers a serene escape from the bustling world.

As dawn breaks, the Wolds unveil a breathtaking tapestry of colours – the soft hues of the morning sun casting a warm glow upon the fields. The gentle slopes and valleys, adorned with patchwork quilts of green and gold, create a harmonious symphony of nature's palette. Each season paints its own masterpiece, from the vibrant blossoms of spring to the golden harvest of autumn.

Tranquil footpaths wind through the Wolds, inviting explorers to wander and discover the hidden charms of this idyllic region. Ancient woodlands whisper tales of bygone eras, while quaint villages with thatched cottages preserve the charm of a simpler time. The juxtaposition of history and nature intertwines seamlessly, offering a sense of timelessness that lingers in the air. Wildlife flourishes in this bucolic haven, where the call of skylarks mingles with the rustle of leaves in the wind. Meadows burst with the vibrant hues of wildflowers, attracting butterflies and bees in a delicate dance. The Wolds, a haven for bird watchers, provide a sanctuary for various species, making it a paradise for those seeking solace in the beauty of the natural world.

The Wolds' charm extends beyond the daylight hours, as the night sky reveals a celestial masterpiece. Far from the city lights, the stars glitter overhead, creating a celestial canvas that invites contemplation and wonder. The Lincolnshire Wolds offer a serene retreat for stargazers, a place where the cosmos paints its own spellbinding spectacle.

In conclusion, the Lincolnshire Wolds stand as a testament to the enduring beauty found within the English countryside. With its rolling hills, charming villages, and harmonious blend of nature and history, this hidden jewel beckons those in search of tranquility and timeless allure. The beauty of the Lincolnshire Wolds lies not only in its landscapes but also in the profound sense of connection it fosters with the natural world, making it a destination that leaves an indelible mark on the hearts of those who venture into its embrace.

Lincolnshire Wolds AONB, now a National Landscape

AONBs have been rebranded as National Landscapes which includes the Lincolnshire Wolds

In 2019, an extensive review of Areas of Outstanding Natural Beauty (AONBs) and National Parks in England was published by Julian Glover. The review included the recommendation that AONBs were rebranded as National Landscapes to strengthen them with new ‘purposes, powers and resources’.

In 2022, the government responded to the Glover Landscapes Review and agreed that the national significance of AONBs should be ‘reflected in their name’. As such, work has been undertaken with the National Association for AONBs which, going forward, shall be known as ‘National Landscapes’. The rebranding was launched on the 22 November 2023.

Rebrand reasoning

The rebranding of the AONBs in England as National Landscapes shall strengthen their purpose, bringing them in line with National Parks. The shift should also enable additional funding sources and an increase in the profile of AONBs nationally.

AONBs will not become planning bodies as National Parks are, but it is likely that we could see the introduction of additional powers. This will enable the AONBs to provide comments that carry a further weight in the assessment of planning applications than existing. It could ultimately lead to further difficulty for those wishing to undertake development within these designated areas, bringing constraints in line with those already experienced by members living within National Parks.

Read more here www.cla.org.uk/news/aonbs-to-be-rebranded-as-national-landscapes

South Willingham Parish and Village Hall Activities

JULY:

Wednesday 3rd - Coffee & chat (free) & Willingham Winner Draw 10:30 to noon

Asterby and Goulceby Parish Council

<http://asterby-goulceby.parish.lincolnshire.gov.uk>

Annual Parish Meeting

The annual parish meeting took place at the Three Horseshoes on Tuesday 28th May at which four parish residents and the elected district councillor were in attendance. The Chairman of the Parish Council (Jon Mold) welcomed all to the meeting and thanked the other two parish councillors (Ian Taylor and Graham Johnson) for their work on the council over the last 12 months. He also thanked Diane De Halle for her work as clerk and responsible finance officer over the last 12 months.

A short report was read out to the meeting highlighting the work of the parish council over the last year. Particular reference was made to the new notice board in Goulceby which had been funded by an ELDC community grant. Mention was also made of the three current vacancies on the parish council noting that with only three current parish councillors the council was only just quorate and the quest would continue to find more people to volunteer to serve as parish councillors.

As previously reported, should anyone be interested in becoming a Parish Councillor they should contact the Parish Clerk (Diane De Halle) by emailing Diane at agparishcouncil@gmail.com.

The current councillors are:

Jon Mold (Chair) - Sycamore Lodge, Goulceby

Ian Taylor - Lavoir, Goulceby

Graham Johnson - Lindores, Goulceby

Contact details are on the Council's website which can be found at:

<https://asterby-goulceby.parish.lincolnshire.gov.uk/>

The efforts of the church restoration fund raisers were also acknowledged at the meeting.

One member of the parish asked for feedback on experiences of other parish members around Quickline, the fast broadband provider in the village. One member of the council advised that their Quickline installation had been operational for over six months now with no issues at all and the claimed speeds were being achieved and maintained. Another member confirmed that their installation was fully up and running without any ongoing issues. However, the initial installation had not gone quite as smoothly as they would have liked due to issues with a nearby pole not being resolved as quickly as they should have which required several visits to resolve. Overall though, it was confirmed that the general feedback from residents who had switched had found it to have been worthwhile and without issues.

Thanks were recorded for the use of the Three Horseshoes and All Saints for the council's meetings during the year.

Annual meeting of the Parish Council

The annual meeting of the parish council also took place on 28 th May with most of the time being taken up by the annual year-end formalities around governance and finance. The conclusion of the Auditor who reviewed all aspects of governance and finance was that “the council is well governed”.

Each year the authority prepares an Annual Governance and Accountability Return (AGAR). The AGAR has been published by the council. Any person interested has the right to inspect and make copies of the AGAR, the accounting records for the financial year to which it relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records must be made available for inspection by any person interested. For the year ended 31 March 2024, these documents will be available on reasonable notice by application to: Mrs Diane De Halle Parish Clerk & RFO agparishcouncil@gmail.com.

The inspection period commences on Monday 3 June 2024 and ends on Friday 12 July 2024. The date and time of the next parish council meeting is Monday 2nd September at 7pm. (Venue to be confirmed).

Callconnect App

There is now a convenient way to book your bus with a new app.

It allows easier access and more control to book, track and manage your Callconnect rides. The app is available for all devices and is easy to use. Simply download and register your details. Select your pick up and drop off points and let the app do the rest. Once you're booked, get on board and travel with Callconnect to your destination.

New Environment Crime enforcement officers to tackle on-street litter and dog fouling in East Lindsey.

Environmental Crime enforcement officers will soon be taking to the streets in East Lindsey. The team will be walking around the district's tourist centres, towns and villages in a bid to enforce and educate people on such things as deliberately dropping litter and those who fail to pick up after their dog or fail to be able to provide the means to pick up after their dog. The officers will begin patrolling areas of East Lindsey later this month and will be issuing £150 fixed penalty notices to those who are caught breaking the rules. Anyone who does not discharge their liability by paying the fine will face prosecution in court. As well as dog fouling and litter, the team have also been given the powers to deal with other environmental crime such as fly-tipping and

graffiti. Some of their work will be carried out using information passed to us by members of the public and local councillors. It is hoped that the environmental crime enforcement officers will deter irresponsible behaviour and encourage people to dispose of their rubbish more responsibly and keep East Lindsey at its best for residents and visitors.

Disposal of household waste

The guidance below was received from the Association of Local Councils and we thought it might be useful to share it.

Your household waste must be disposed of correctly. If you're giving it to someone else, you must make sure that they're legally allowed to take it. You could be fined if you give your household waste to someone who is not legally allowed to take it. What counts as household waste is any waste that comes from your household. It can include:

your usual household rubbish unwanted or unusable items such as old mattresses, furniture or electrical items, garden waste, oils and paints, scrap metal such as old car parts, septic tank sludge

DIY waste such as rubble, timber or bricks.

What to do with household waste

Most of your usual household rubbish can go in the bins provided by your local council. For rubbish that you cannot put in the bins, you can:

arrange a special collection for large waste items (for example, an old mattress or fridge) www.gov.uk/collection-large-waste-items. Dispose of garden waste through your local council www.gov.uk/garden-waste-disposal. take your waste to the household waste and recycling centre run by your local council, take your waste to a permitted private waste site, use a registered private business that provides a waste collection service - for example, a skip company or household clearance service, and get a receipt.

give old electrical items to retailers when you buy new electrical items from them with the same function - for example, you can give a shop your old kettle when you buy a new one, give away or sell reusable items - for example, by giving items to a charity shop. If you use a private business that provides a waste collection service, you must check the company is on the register of waste carriers. If you give your waste to someone who cannot legally take it and you did not do the necessary checks on them, you might: have to pay a fixed penalty notice' to your local council

be prosecuted and have to pay a higher penalty - for example, if you do not pay your penalty notice on time or if you've previously had a penalty notice for a similar offence. This could happen, for example, if something that has been fly-tipped (dumped illegally) is identified as yours.

**a Blooming Great
Tea Party
on Sunday 18th August,
from 2pm to 4pm
WHICH WAY, FORD WAY,
GOULCEBY, LN11 9WD**

This is not a ticketed event; a minimum donation of £10 per person would be very much appreciated, for unlimited tea, coffee, and cake, and also live music donated by Jeff and his amazing band. Please bring along your own table and chairs, and bring friends. Donations of quality raffle prizes gratefully received.

Every penny raised will go to Marie Curie. We look forward to hearing from you.

RSVP please to Maggie and Roger Lindley on 01507 343007, or at Which Way, Ford Way, Goulceby, LN11 9WD by the end of July.
